

Keep Corinth Beautiful

Cleanup Safety Information

- **Wear protective clothing;** closed-toed shoes and weather-appropriate clothing will protect you from the elements and broken or sharp objects
- **Wear the provided safety vests** to alert vehicles and equipment operators of your presence.
- **Wear waterproof shoes** if working around a water element or drainage ditch
- **Wear gloves and utilize the provided litter sticks** to protect from cuts, scratches, splinters, and contact with contaminated objects
- **Be aware of your surroundings;** look out for cars, snakes, poison ivy, fire ants, and any potential hazards.
- **Keep cool and shade yourself** with a hat, long sleeves, sunscreen, and sunglasses. Drink plenty of fluids during a cleanup.
- **Supervise any children** cleaning up at all times

- **Do not pick up any hazardous materials;** call Keep Corinth Beautiful if you come across needles, animal carcasses, or hazardous waste of any kind
- **Do not attempt to move heavy or large objects**
- **Do not attempt to move large illegally dumped items;** notify Keep Corinth Beautiful
